**Elijah Anderson : A Place on the Corner, Second Edition (Fieldwork Encounters and Discoveries)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Place on the Corner, Second Edition (Fieldwork Encounters and Discoveries):

1 of 1 people found the following review helpful. Well documented research effort.By Garland ChristopherI really

enjoyed this book. I read similar narratives on street corner society, such as Talleys Corner, but Dr. Anderson's tome was done in a fashion that was understandable, his research methods were well-documented, and his interactions and encounters were well-written. This piece deserves a lot more publicity. 0 of 0 people found the following review helpful. Even though I'm only part way through the book I'm ...By Uncle Harry Even though I'm only part way through the book I'm confident it will earn a Five Star rating. It's a real eye opener. 0 of 2 people found the following review helpful. Five Stars By Sierra Hendricks Great read

This paperback edition of *A Place on the Corner* marks the twenty-fifth anniversary of Elijah Anderson's sociological classic, a study of street corner life at a local barroom/liquor store located in the ghetto on Chicago's South Side. Anderson returned night after night, month after month, to gain a deeper understanding of the people he met, vividly depicting how they created and recreated their local stratification system. In addition, Anderson introduces key sociological concepts, including "the extended primary group" and "being down." The new preface and appendix in this edition expand on Anderson's original work, telling the intriguing story of how he went about his field work among the men who frequented Jelly's corner.

From the Inside Flap "Anderson is the consummate participant-observer..." William Foote Whyte, author of *Street Corner Society* This paperback edition of *A Place on the Corner* marks the twenty-fifth anniversary of Elijah Anderson's sociological classic, a study of street corner life at a local barroom/liquor store located in the ghetto on Chicago's South Side. Anderson returned night after night, month after month, to gain a deeper understanding of the people he met, vividly depicting how they created - and recreated - their local stratification system. In addition, Anderson introduces key sociological concepts, including "the extended primary group" and "being down." The new preface and appendix in this edition expand on Anderson's original work, telling the intriguing story of how he went about his field work among the men who frequented Jelly's corner.
