Peter G. Beidler : A Student Guide to Chaucer's Middle English before purchasing it in order to gage whether or not it would be worth my time, and all praised A Student Guide to Chaucer's Middle English:

5 of 5 people found the following review helpful. Very concise, practical guide. Works very well as ...By QS
Very concise, practical guide. Works very well as a reference while reading (saves one from flipping to the beginning or end of the book quite so often,) and contains exercises so you can apply what you've learned. It won't make you an expert, but Chaucer is a lot less daunting now.
3 of 3 people found the following review helpful. Well written and informative,

but doesn't give much detail ...By Vince R. GiangiacoWell written and informative, but doesn't give much detail. It does have a glossary of Middle English words that could give you problems with modern English.0 of 0 people found the following review helpful. Excellent little book.By robert p.This little book is just fine for what it was intended . It's not a text book on Middle English, but it'll help you understand Chaucer better in the original.

A Student Guide to Chaucer's Middle English shows where Chaucers English came from, when it developed, and especially how to pronounce it. The guide contains information on the International Phonetic Alphabet, iambic pentameter, and the Great Vowel Shift. It also has word lists and transcription exercises. Refined during four decades of Beidler's own teaching, this booklet is now widely available for the first time.
