John Chandler : A WILTSHIRE CHRISTMAS before purchasing it in order to gage whether or not it would be worth my time, and all praised A WILTSHIRE CHRISTMAS:

Compiled by John Chandler who also compiled A Somerset Christmas and A Country House Christmas. If you have enjoyed any of the Sutton Publishing Christmas Anthologies which cover a lot of geographical areas of the country then you will enjoy this one too. It is of the same style but different snippets of life at past Christmas times within Wiltshire. Illustrations and photos dating from "probably the 1980s" right up to 1991. An enjoyable read - a book to treasure and read again at future Christmases.
