Clarence P. Hornung : An Old-Fashioned Christmas in Illustration and Decoration (Dover Pictorial Archives) before purchasing it in order to gauge whether or not it would be worth my time, and all praised An Old-Fashioned Christmas in Illustration and Decoration (Dover Pictorial Archives):

We design and manufacture holiday decorations for commercial applications. I use this book to help me design Christmas themes for historic Victorian towns in particular. I recommend it highly as a source for how Christmas was depicted and celebrated in 19th Century America. It even shows the first known Christmas card.

Two hundred and sixty illustrations from Victorian sources include depictions of Santa Claus, sleighs, bells, Christmas trees, Yule celebrations, skating, snowball fights, gift giving, caroling, dances under the mistletoe, decorative wintertime alphabets. Also, facsimile of 1848 *Night Before Christmas*.
