I was sorry it is no longer in business. This book (1991) is hard cover with lovely poems, stories and pictures through out. A true keepsake.2 of 2 people found the following review helpful. A beautiful volume that captures the eloquence and charm of holidays past--a nostalgic look at Christmas as it used to be. Brimming with such images as crackling fires, horse-drawn sleigh rides, and Christmas carolers, the book presents stories, recipes, carols, crafts, and nativity passages from the Bible. Full color.
