Dr. Christian Sawyer, Advanced Placement : AP Human Geography w/ CD-ROM (Advanced Placement (AP) Test Preparation) before purchasing it in order to gauge whether or not it would be worth my time, and all praised AP Human Geography w/ CD-ROM (Advanced Placement (AP) Test Preparation):

0 of 0 people found the following review helpful. I can guarantee that this will help you. By Walter Sanchez Used this to study for my exam and I got a 5!! Take your time doing the whole book so you can implement everything you are

taught onto your long term memory. This book really helped me. I didn't have the best teacher so I really had to learn on my own and this book was the answer! Totally recommend this to anyone looking to score a 5.1 of 1 people found the following review helpful. Has everything you need to know, espically if you didnt pay attention in class!By aly.mypennnameI took this class in highschool and i barely really paid any attention to my teachers lectures, once it started to come close to Ap exam day, I had to get my stuff together and get serious about this exam. I had bought this studyguide because my teacher recommended it. I studied everything for a good 2 weekes. MOSTLY REMEMBER VOCABULARY AND MODELS. And the week prior to the exam, I went over the whole thing and I ended up with a 4 out of 5 as my result for the Ap exam.Dont stress yourself out and just study this book, and you'll do more then fine!I gave this rating a 4 out of 5 b/c thats what i got on my exam!0 of 0 people found the following review helpful. Good Review Book, You'll Have Problems with CDBy AZ kwusuThis is a very good review book for AP Human Geography. The best way to get the most out of it, is to start using it early. The CD that comes with it though is a dud. First, the practice tests will only work if you run the program within the admin account, and not only for Windows XP users as noted in the book...who develops software that does that these days? And the scoring does not work. Also, the CD for the 2012 edition of the book that I purchased is dated 2008, i.e., the two practice tests (also in the book) are 4 years old. You would think an edition published in 2012 would have updated practice tests.

Are You Serious About Scoring a 5 on Your Advanced Placement* Exam? Then You Need REAs test prep for the AP* Human Geography exam - with TestWare CD Written by a recipient of the National Social Studies Teacher of the Year award, this second edition of our popular Advanced Placement* test prep is completely up-to-date and aligned with the official AP* Human Geography exam. Our targeted review chapters focus exclusively on one area of Human Geography and cover every topic tested on the actual exam. Each review chapter opens with key questions about a subject and includes a quiz, plus multiple-choice review questions with detailed answers so you can study smarter and earn a 5! Hundreds of charts, maps, diagrams, photos, and drawings throughout the book illustrate important topics and ideas. The test prep features two full-length practice exams with detailed explanations of all answers, a breakdown of the exams content, and test-taking strategies. The practice tests are composed of every type of question that can be expected on the actual AP* exam, so you can practice for real and target your strengths and weaknesses before the test. The books practice tests are included on CD in a timed format with automatic, instant scoring. Our interactive TestWare CD offers detailed on-screen answers, diagnostic feedback, plus an extended time function for students with disabilities. If youre serious about getting a 5 on your exam, then you need REAs test prep for the AP* Human Geography exam. REA has helped more than a million students succeed on their AP exams! Teachers across the country consider our AP titles to be invaluable resources and consistently recommend our books to their students.
