Duane R. Monette, Thomas J. Sullivan, Cornell R. DeJong : Applied Social Research: A Tool for the Human Services, 8th Edition (Research, Statistics, Program Evaluation) before purchasing it in order to gage whether or not it would be worth my time, and all praised Applied Social Research: A Tool for the Human Services, 8th Edition (Research, Statistics, Program Evaluation):

0 of 0 people found the following review helpful. Five StarsBy Georgia Owensgreat study guide0 of 0 people found the following review helpful. It was in very good condition.By Michelle NelmsI purchased this book for my research class for school. It was in very good condition.0 of 0 people found the following review helpful. :)By aThis text is required for my graduate program. I have found the book very interesting and is written well. The book is in decent condition, not much highlighting. Delivery was quick and customer service is great. It was a pleasure doing business

with you :)

You may be wondering why you need to study research methods to prepare yourself for a career in human services. This accessible text will help you to better understand the connection between human service research and practice. **APPLIED SOCIAL RESEARCH** brings the subject to life and explores the most recent technology innovations, including how cell phones, PDAs and computers are affecting research methods and results.
