Mickey Skee : Bad Boys on Video: Interviews with Gay Adult Stars (v. 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bad Boys on Video: Interviews with Gay Adult Stars (v. 1):

2 of 2 people found the following review helpful. How do you get a job like this?By CustomerMickey Skee's book is a lot of fun. He chose a wide variety of stars from different age groups and backgrounds. Mickey Skee is obviously very adept at getting his subjects at ease with being interviewed. I noticed that he revealed that some of the stars who were

given accolades for their performances as "bottoms" tended to be somewhat embarrassed and uncomfortable with that honor. (Maybe honor should be in quotes in that case...) Overall, Skee shows us that these seemingly unattainable stars have likable personalities, and are often quite charming. 0 of 0 people found the following review helpful. Great stuff
By M/M fan This book opened my eyes to what felt like a secret world that hovers on the fringe of society. I was enthralled. Mickey Skee's interviews felt very honest and open, and the men were brave to share their feelings with him. It really ran the gamut of the new guys to the pros, all of whom had something unique to contribute to the book. Excellent. 6 of 6 people found the following review helpful. Very Bad Boys, with Very Good Things
By A Customer Yes, the interviewer does talk about himself a lot, but it sounds like he's been in the business a long time and he's someone who has given a true face to these guys. No other reviews or interviews I've read about these stars (and I'm big fans of ones like Will Clark and Cole Tucker) have had anything as revealing as these. Wait 'til you read about Adam Hart, there's more new stuff about Rex Chandler than anything, and I have the world's largest collection on him. Mickey may brag about knowing all these studs, but he doesn't flirt with them, in fact, he keeps a proper journalistic distance. We just all wish we were him, that's all.

Book by Skee, Mickey
