Lerone Bennett Jr : Before the Mayflower: A History of Black America; Sixth Revised Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Before the Mayflower: A History of Black America; Sixth Revised Edition:

0 of 0 people found the following review helpful. Good African American history reference
By Buffalo Soldier
SixGreat book!!! Good additional to my personal library. Easy read and good reference material for young adults.
Excellent starting point for African American history for all.
1 of 1 people found the following review helpful. Best black history book
By RiaMy bought the for my African American MD/JD husband. He says it is the best black history book he has ever read!
0 of 0 people found the following review helpful. Every African-American and all others should read this book! ...
By Dr. HoneyBeeEvery African-American and all others should read this book! I read it first in college and bought it again for my family.

Traces black history from its origins in western Africa, through the transatlantic journey and slavery, the Reconstruction period, the Jim Crow era, and the civil rights movement, to life in the 1990s. Reprint. 35,000 first printing. \$20,000 ad/promo.
