Clare Hibbert : **Beside the Seaside: Seaside Holidays Then and Now** before purchasing it in order to gage whether or not it would be worth my time, and all praised Beside the Seaside: Seaside Holidays Then and Now:

The Beside the Seaside series looks at specific aspects of daily life by the sea, whether examining plant and animal habitats, exploring the various jobs people do, looking at types of buildings and structures, or comparing a holiday by the sea in the past and present day. Seaside Holidays Then and Now compares what it would have been like to go on holiday to the seaside in the past with modern seaside holidays today. Readers are encouraged to explore what has changed and what has stayed the same, including the places we stay, beach activities and the clothes we wear. An essential set of books for learning about all aspects of the seaside, and a perfect teaching tool for Key Stage 1.
