Work on Editing By Mintonette12 I am an intermediate ESL student, and this book is excellent to help you whether you want to focus on EDITING your writing; moreover, this book explains rules such as run-on sentences, subject-verb agreement, fragments, verbs, subject-pronoun agreement, adjectives, etc. I recommend it to people who do not have clear how to write their ideas.

Better Writing Through Editing teaches intermediate students how to edit their own writing for correct sentence structure, grammar, punctuation, and expression. Using a systematic approach for studying writing and editing problems, students discover their individual strengths and weaknesses and are encouraged to monitor their own progress. Part 1, Getting Started, begins with a diagnostic self-assessment to determine each students' awareness of typical ESL/EFL editing problems. Students also learn an editing system that they can use to evaluate their own writing. Part 2, Writing Focus, provides practice with a variety of English sentence types and features writing assignments based on a chapter theme and a rhetorical focus. Part 3, Editing Focus, provides clear and simple explanations of typical ESL/EFL editing problems and contains hundreds of practice exercises. The chapters in the Editing Focus section can be done in any order, thus allowing a teacher to customize learning while simultaneously completing the Writing Focus chapters.
