**Istvan Meszaros : Beyond Capital: Toward a Theory of Transition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Beyond Capital: Toward a Theory of Transition:

24 of 25 people found the following review helpful. Difficult, But Worth a Little StruggleBy Paul A. LenartClarifies the nature of Capital as fundamentally a relationship of subordination of Labour based on the proletariat's real material separation from effective control over the condition and purpose of their work. Explains why the liberatory project of the last century, centered as it was on the political expropriation of the expropriators, could never do more than reproduce that subordination to Capital in a new form. Extensive critique of G. Lukacs as representative of this

misconception/misdirection of the Communist movement by one of his few living students. 3 of 5 people found the following review helpful. Five Stars By Liana Franca Dourado Barradas Good! 1 of 3 people found the following review helpful. Five Stars By Trust fund squanderer 5 stars

"Not only profound in its analysis, but also so passionately inspired by sympathy for the downtrodden and their struggle for liberation. . ."--Daniel Singer, The Nation "This is an important book, heavy in size and tone. It belongs in every serious library."--Choice

About the Author István Mészáros is a world-renowned philosopher and critic. He left his native Hungary after the Soviet invasion of 1956. He is professor emeritus at the University of Sussex, where he held the chair of philosophy for fifteen years. Mészáros is author of *The Challenge and Burden of Historical Time*, *Beyond Capital*, *The Power of Ideology*, *The Work of Sartre*, and *Marx's Theory of Alienation*.
