Nancy Friday : Beyond My Control: Forbidden Fantasies in an Uncensored Age before purchasing it in order to gage whether or not it would be worth my time, and all praised Beyond My Control: Forbidden Fantasies in an Uncensored Age:

3 of 3 people found the following review helpful. Beyond My Control: Forbidden Fantasiein an Uncensored AgeBy

Christine Stephens This is definitely a book for more mature reading as it goes deeply into adult fantasy. Nancy Friday knows how to captivate her reading audience and make them come back wanting more. She does her research and it shows. I received this book in the delivery time specified and will purchase from this seller again. 1 of 1 people found the following review helpful. Five Stars By JimGot this for my GF and she loved it 0 of 0 people found the following review helpful. Not that great of a book on sex and fantasies By Customer I always will like Nancy Friday, however I was kind of disappointed in this book, fantasies of different people inside the book were far and few...not many discussed were told...disappointing.

The bestselling author of *My Secret Garden* exposes the wild and sexy fantasies that many of us have but are afraid to share. For over thirty years, Nancy Friday has written about eros, love, beauty, and seduction. Now she returns to the territory she pioneered during the sexual revolution exploring our most taboo sexual desires. Fans of *Fifty Shades of Grey* will love this provocative collection of real fantasies from dozens of women and for the first time, men. Friday knows that forbidden sex "gets us higher faster" and explores love, lust and power through erotic tales of domination, masturbation, SM, threesomes, and more. *Beyond My Control: Forbidden Fantasies in an Uncensored Age* shows that our forbidden fantasies are not compensation for a lackluster sex life, but are a critical component of our fullest selves and how our secret desires can lead to exhilarating and satisfying sexual freedom. Praise for Nancy Friday "YOU'LL BLUSH, YOUR PULSE WILL RACE." *The New York Times* "Delicious... women can share in their sisters' secrets and not feel that they are alone." *Los Angeles Times* "Nancy Friday's work... demonstrate[s] beyond doubt that the emancipation of women's bodies begins with the emancipation of our minds." Faye Wattleton, former president, Planned Parenthood Federation of America

From Booklist Sexual mores certainly have changed since Friday first chronicled women's fantasies in *My Secret Garden* (1973). With sexuality in plain sight on every screen and page, this connoisseur of rich erotic thoughts decided to conduct a new survey, asking today's women and, for the first time, men, to share their turn-on scenarios. What Friday discovered is that men and women of every sexual orientation, age, and degree of experience are aroused by visions of forbidden sex and fantasies involving domination. Her theories about the allure of erotic reveries about surrender and submission are based on sensitive observations about single-parent households (she was raised without a father), the changing status of women in the workplace, and the enormous sexual influence of the Internet. Cyber-age masturbation, exhibitionism and voyeurism, incest, and SM are all analyzed with respect, common sense, and humor, in keeping with Friday's abiding belief that sexual fantasy, satisfaction, and freedom are natural and healthy for individuals and society. That must make sharing these scorching sexual fantasies nothing less than a public service. -- Donna Seaman "Cyber-age masturbation, exhibitionism and voyeurism, incest, and SM are all analyzed with respect, common sense, and humor, in keeping with Friday's abiding belief that sexual fantasy, satisfaction, and freedom are natural and healthy for individuals and society. That must make sharing these scorching sexual fantasies nothing less than a public service." - Booklist About the Author Nancy Friday published her first book, *"My Secret Garden,"* in 1973. A collection of interviews with women discussing their sexuality and fantasies, it became a huge bestseller. Friday's subsequent books, including *"Men in Love," "My Mother/My Self,"* and *"Women on Top,"* cover topics ranging from mothers and daughters, to jealousy, to feminism.
