**Dagmar Engels : Beyond Purdah?: Women in Bengal 1890-1930 (SOAS Studies on South Asia)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Beyond Purdah?: Women in Bengal 1890-1930 (SOAS Studies on South Asia):

The author argues that `Purdah' in early twentieth century Bengal meant far more than secluding women behind veils and walls; it entailed an all-encompassing ideology and code of conduct based on female modesty. Women's political activities, their class-specific existence as daughters, wives, mothers and widows as well as their education and employment are examined in this framework.

"Offers well-reasoned and insightful exploration into a large and complex subject."--ChoiceAbout the AuthorDagmar Engels, Director, Ulmer Volkshocheshule (Adult Education Institute), Ulm.
