Suzar : Blacked Out Through Whitewash: Exposing the Quantum Deception/Rediscovering and Recovering Suppressed Melanated before purchasing it in order to gauge whether or not it would be worth my time, and all praised Blacked Out Through Whitewash: Exposing the Quantum Deception/Rediscovering and Recovering Suppressed Melanated:

2 of 2 people found the following review helpful. AWESOME HISTORICALLY ACCURATE BOOK! THIS IS A MUST READ FOR ALL BLACK PEOPLE GLOBALLY!!!!By HonestyisthePolicyIf you want to learn Afrikan

history, this is the book! I love learning our history and I will continue to research. This book reveals truths that I have always suspected. Thanks for the confirmation!36 of 36 people found the following review helpful. Free Your MindBy Q Kwache MachengTillilating bits of history that are topped off in an eye opening and concise explanation of African Cosmology which was a direct source of the present day faiths that we know of today. The author has great charts with the similarities of the crucified saints worldwide. In addition, the author explains the origins of tribal histories and people in China, Europe, India, The Americas etc. as they relate to only one source. The book is a wealth of information on other little known topics which makes it a excellent reference book as the author has impeccable sources of his/her assertions which makes the information difficult if not impossible to impeach. It was worth every penny paid. This ain't for the average Sunday school class group nor the Conservatively educated.3 of 3 people found the following review helpful. Eye opening book! A MUST read!By Prince HeruThis is an amazing book! Suzar is a great teacher! This book will open your mind to a whole different level. You will realize you were taught so many lies in school!
