From Palgrave Macmillan : Bourdieu, Habitus and Social Research: The Art of Application before purchasing it in order to gage whether or not it would be worth my time, and all praised Bourdieu, Habitus and Social Research: The Art of Application:

This collection brings together for the first time a set of researchers whose research methodologies centre on Bourdieu's concept of habitus. Full of insight and innovation, the book is an essential read for anyone wanting to know more about approaches to social theory and its application in research.
