Need ideas to stimulate student interest in reading and library usage? Try one of the 98 bulletin board and showcase ideas featured in this eagerly awaited sequel to the best-selling first volume of this title, and you will be amazed how easy it can be to motivate readers to use the library! Each of the chapter provides detailed directions that allow for

effortless reproduction of some of the most innovative and exciting bulletin boards and showcases you have ever seen. Following the same format as in the first volume, the book also includes an expanded section on the principles of design, as well as where to get ideas and how to put everything together. Tried and true favorites of students in grades 7-12, these three-dimensional display ideas are guaranteed to get your library the attention it deserves!
