Jean Bethke Elshtain : By Jean Bethke Elshtain The Jane Addams Reader before purchasing it in order to gage whether or not it would be worth my time, and all praised By Jean Bethke Elshtain The Jane Addams Reader:

0 of 0 people found the following review helpful. Five StarsBy Joan HarrisYes she is a hero.0 of 0 people found the following review helpful. Worthwhile ReadingBy lanlynkInteresting in a historical sense, comparing similarities to and differences from today's society. A good compilation of Addams' writings and philosophy. Some of the content was tough to get through because of the depressing issues. I wouldn't say I "enjoyed" reading the book, but it was definitely informative and gave me a lot of things to think about. I read this book in combination with Elshtain's Jane Addams and the Dream of American Democracy: A Life, which was another good read.0 of 0 people found the following review helpful. Five StarsBy Stephanie Jameslovely read!
