Demetrios J Constantelos : Byzantine philanthropy and social welfare (Rutgers Byzantine series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Byzantine philanthropy and social welfare (Rutgers Byzantine series):

5 of 6 people found the following review helpful. great bookBy Andrew LazarouThis book is an honest appraisal in a sea of dishonest books about byzantium.It speaks of a society that met the highest ideals and expectations of christian philanthropy.it centres on the orthodox belief and practice of praxis, to live the life of christ--an everyday reality in byzantium.i recommend this book to any one searching for truth christianity.
