W. (Walter) Barnett Pearce, Stephen W. Littlejohn : Moral Conflict: When Social Worlds Collide before purchasing it in order to gage whether or not it would be worth my time, and all praised Moral Conflict: When Social Worlds Collide:

0 of 0 people found the following review helpful. Five StarsBy Wild BluePerfect for a class.1 of 1 people found the following review helpful. Well written and insightfulBy elguaposweaterThis is a outstanding book. The authors' knowledge and insight comes from years of field studies, research, and tested theory. Their combined experience lends

perspective into the phenomenon of social conflict, from the various ways it is manifest, to possible approaches to bridging gaps that emerge between groups with disparate values and interests. 0 of 0 people found the following review helpful. *Moral Conflict* By Tony Met or exceeded my expectations. What is shown is what I received. I have read this and expect to use as often as I can.

In an original synthesis of communication theory and their own research and experience as intervention agents, the authors of *Moral Conflict* describe a dialectical tension between the expression and suppression of conflict that can be transcended in ways that lead to personal growth and productive patterns of social action. Several projects are described as practical examples of these ways of working.

About the Author Stephen Littlejohn (Ph.D., University of Utah), is a conflict management consultant, mediator, facilitator, and trainer. He is consultant for the Public Dialogue Consortium and a partner in Domenici Littlejohn, Inc. Stephen is co-author of *Moral Conflict: When Social Worlds Collide* (Sage, 1997) and has written numerous other books and articles on communication and conflict. He was a professor of communication at Humboldt State University in California and is currently Adjunct Professor of Communication and Journalism at the University of New Mexico. He has done research on mediation and conflict management for 19 years and has been an active mediator for eight. Stephen has been a consultant for such clients as the Waco Youth Summit, the Alliance for Constructive Communication, the City of Cupertino, Columbia Basin College, and Washington State University.
