Gay Adult Film Star Interviews Galore!By Owen KeehnenMORE STARZ is the follow up to STARZ. It's a

compilation of dozens of interviews (over 70!) with gay male adult film stars (each with at least one full frontal/back nude shot of all the guys). It provides a fresh look at some of the men behind the projected fantasies...and in many cases is VERY revealing -- in a whole new way. Some of those included in this volume include Jason Branch, Arpad Miklos, Colton Ford, Sam Crockett, Blue Blake, Brad Benton, Tyson Cane, Joe Foster, Ben Gunn, Manuel Torres, Huessein, Roman Heart, the late Johnny Rey, Filippo Romano, Johnny Hazzard, Brad Patton, Gus Mattox, Marc Williams, Mickey Squires, etc. Lotsa fun...and no problems with the binding here. 1 of 4 people found the following review helpful. Book falls apart By J. Crew Guy More Starz is a great book, with lots of great porn star interviews. The one problem (and it's a big one) is that the book falls apart extremely easily. It's hard to read an interview when one of the pages comes right out as you turn the page. VERY disappointed.
