Barbara Alpern Engel : Mothers and Daughters: Women of the Intelligentsia in Nineteenth-Century Russia (Studies in Russian Literature and Theory) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mothers and Daughters: Women of the Intelligentsia in Nineteenth-Century Russia (Studies in Russian Literature and Theory):

0 of 2 people found the following review helpful. Mothers and Daughters: Women of the Intelligentsia in Nineteenth-Century RussiaBy TMSThis book is a great examination of the role of women in revolutionary Russia and of their need for liberation and how they brought that about.

The first psychosocial study of the female intelligentsia in Russia, Mothers and Daughters explains how and why women radicals of the nineteenth century diverged from their male counterparts, describes the forces that led women to rebel, and discusses their legacy to future generations. Throughout, Engel brings nineteenth-century women to life, humanizing history as she presents a case study of how the personal became political in a time and place different from our own.
