**Carole Carlton : Mrs Darley's Pagan Whispers: A Celebration of Pagan Festivals, Sacred Days, Spirituality and Traditions of the Year** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mrs Darley's Pagan Whispers: A Celebration of Pagan Festivals, Sacred Days, Spirituality and Traditions of the Year:

Have you ever longed to walk barefoot in the winter snow, greet the summer solstice dawn with drums and honeyed toast or experience the pure magic of May Eve? Then this book is the answer to your quest. Carole Carlton takes you on a seasonal journey of self discovery, just as she experienced whilst living on Bodmin Moor in Cornwall, next door to the delightfully eloquent, yet rather mysterious Mrs Darley. "Mrs Darley's Pagan Whispers" provides you with a detailed description of the eight major Pagan festivals as they fall chronologically throughout the year. Each celebration leads you further into Mrs Darley's magical world and invites you to experience the wisdom of the ancients within a modern setting.
