Jack Gaines : My Brother's Keeper Not My Brother's Killer, Reconciliation: The Global Tool for Restoration
before purchasing it in order to gage whether or not it would be worth my time, and all praised My Brother's Keeper Not My Brother's Killer, Reconciliation: The Global Tool for Restoration:

0 of 0 people found the following review helpful. Definitely 5 stars and 2 thumbs upBy Dr. Greg Linnebach - Phoenix, AZThis is the most clear and powerful book on reconciliation and redemption I have read. Every person with concern for racial issues should read this book.0 of 0 people found the following review helpful. Five StarsBy Patrck BuckleyVery thought provoking and presents a logical case. I was inspired.0 of 0 people found the following review helpful. A Splendid Little VolumeBy Roland LazenbyJack Gaines delivers the message here with clear, crisp language and an easy story-telling style. The faith-oriented message, which initiates a discussion of race relations built around life events of Dr. Gaines, is powerful and delivered eloquently. I admired this little book from the start.Roland Lazenbyauthor of Michael Jordan, The Life

"The true pathway to peace and reconciliation is here unfolded by Jack Gaines. It leads to freedom and growth instead of the self-imposed prison created by hatred. Forgiveness is at the core of this peace-building paradigm. Most of the time in history and even today, religions have fueled hatred or prevented countries from reaching peace. This book is not about religion; it is about understanding the deep roots of our inability, as humans, to achieve peace and

reconciliation." If you want to know more about God's template for peace, reconciliation, and development for people and nations; if you have never considered the possibility that 'God is the enemy of man,' and if you desire to step into other striking revelations, this book is for you." Luc Gnacadja Assistant Secretary General Executive Secretary of the United Nations Convention to Combat Desertification "God has revealed truth to Jack and applying these Biblical principles of reconciliation, while foundational, is the secret to end conflict in our time." Mark Siljander Former U.S. Congressman Deputy U.S./U.N. Ambassador and Author of Deadly Misunderstanding: A Congressman's Quest to Bridge the Muslim-Christian Divide
