Cath Senker : My Christian Year (Year of Religious Festivals) before purchasing it in order to gauge whether or not it would be worth my time, and all praised My Christian Year (Year of Religious Festivals):

Following the calendar year, this book explores the ways in which the main festivals that highlight a Christian child's year are celebrated. The ceremonies, food, clothing, stories, and other customs associated with such festivals as Christmas, Easter, Advent, Lent, Epiphany, and Harvest are detailed in simple terms and colorful photographs. Look inside nine-year-old Jana's diary to see a child's perspective on what it's like to be involved in each of the festivals.
