Awesome bookBy CustomerA very honest look into the life of one of the best actresses in the adult or mainstream industry. It was sad she died at such a young age because she had so much more to accomplish. McKenna your mom is an awesome woman you can learn so much from her life. Lovelace for the benefit of that idiot Chuck Traynor.

The intimate, uncensored erotobiography that is pure-as-Ivory Snow. The sexy girl next door who turned on the world talks openly in detail about her fantasies and what turns her on. Twenty-six pages of personal photos of the star of Behind the Green Door and The Resurrection of Eve. "Marilyn was a legend in porn before her time. She set the gold standard that all other actresses attempted to emulate." - Larry Flynt "Marilyn Chambers was by far a stunningly beautiful woman inside and out. Though I never worked with her on film I did work with her in other ways. She was sweet, engaging, thoughtful to her fans and just a real down to earth woman. I miss her very much." - Seka "With her starring role in Rabid, her Ivory Snow escapade, and her incredibly HOT performances in Adult with her naturally slender, muscular physique, Marilyn rose to fame quickly. She was the only actress in porn that hired her directors, they did not hire her. Marilyn hired you, you did not hire her. She owned her roles and was not hired help." - Ron Jeremy
