Julie Freed PhD : Naked: Stripped by a Man and Hurricane Katrina before purchasing it in order to gage whether or not it would be worth my time, and all praised Naked: Stripped by a Man and Hurricane Katrina:

2 of 2 people found the following review helpful. WonderfulBy Panda2017This book was an excellent read. Raw and honest, Julie Freed bore her soul and mind for her readers. Through this story, my understanding of and compassion for survivors of natural disasters grew. Julie, thank you for sharing your life and experiences.2 of 2 people found the following review helpful. I highly recommend this bookBy John HawkinsJulia Freed shares her courageous story of

rebuilding a life for her and her daughter in the aftermath of hurricane Katrina and spousal abandonment. Honest and riveting, reading *Naked* provoked strong emotions in me regarding the demise of my own marriage and brought back memories of the challenges my family, friends and I faced after Katrina. It will take a while to process everything I'm thinking and feeling. I highly recommend this book! 1 of 1 people found the following review helpful. I hope she will continue to write. By JoyCJulie's book resonated with me in so many ways. Her writing is enjoyable, almost as if a friend is telling her story to you over a cup of coffee.
