**From Brand: University of Nebraska Press : Native Women's History in Eastern North America before 1900: A Guide to Research and Writing** before purchasing it in order to gage whether or not it would be worth my time, and all praised Native Women's History in Eastern North America before 1900: A Guide to Research and Writing:

How can we learn more about Native women's lives in North America in earlier centuries? This question is answered by this landmark anthology, an essential guide to the significance, experiences, and histories of Native women. Sixteen classic essays plus new commentary many by the original authors describe a broad range of research methods and sources offering insight into the lives of Native American women. The authors explain the use of letters and diaries, memoirs and autobiographies, newspaper accounts and ethnographies, census data and legal documents. This collection offers guidelines for extracting valuable information from such diverse sources and assessing the significance of such variables as religious affiliation, changes in women's power after colonization, connections between economics and gender, and representations (and misrepresentations) of Native women.

About the Author Rebecca Kugel is an associate professor of history at the University of California, Riverside. She is the author of *To Be the Main Leaders of Our People: A History of Minnesota Ojibwe Politics, 1825-1898*. Lucy Eldersveld Murphy is an associate professor of history at Ohio State University, Newark. She is the author of *A Gathering of Rivers: Indians, Mtis, and Mining in the Western Great Lakes, 1737-1832* (Nebraska 2000).
