From Palgrave Macmillan : Networked Music Cultures: Contemporary Approaches, Emerging Issues (Pop Music, Culture and Identity) before purchasing it in order to gage whether or not it would be worth my time, and all praised Networked Music Cultures: Contemporary Approaches, Emerging Issues (Pop Music, Culture and Identity):

This collection presents a range of essays on contemporary music distribution and consumption patterns and practices. The contributors to the collection use a variety of theoretical and methodological approaches, discussing the consequences and effects of the digital distribution of music as it is manifested in specific cultural contexts.

From the Back Cover This collection presents a range of essays on contemporary music distribution and consumption patterns and practices. The contributors to the collection use a variety of theoretical and methodological approaches, discussing the consequences and effects of the digital distribution of music as it is manifested in specific cultural contexts.
