Joan Moynihan, Neil Hogan : **New Haven's St. Patrick's Day Parade (CT) (Images of America)** before purchasing it in order to gage whether or not it would be worth my time, and all praised New Haven's St. Patrick's Day Parade (CT) (Images of America):

The revival of the St. Patricks Day parade in New Haven is a fantastic story. The parade was organized in 1842 as the

captivating centerpiece of the city's St. Patrick's Day observance, yet it passed from the urban scene in the early 20th century. For 50 years, it faded from memory; however, New Haven's Irish community retained a strong determination to honor its patron saint and celebrate its heritage. In 1956, they breathed new life into the venerable tradition. Within New Haven's St. Patrick's Day Parade, readers will discover the inception of this joyful event and how, over the last half century, it has grown and thrived.
