**Janet Hart : New Voices in the Nation: Women and the Greek Resistance, 1941-1964 (The Wilder House Series in Politics, History and Culture)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised New Voices in the Nation: Women and the Greek Resistance, 1941-1964 (The Wilder House Series in Politics, History and Culture):

0 of 0 people found the following review helpful. Five StarsBy Eduardo M Capitanigood0 of 0 people found the following review helpful. DONT BELIEVE ITBy Janet C. Hart PhD A brilliant reviewer of appliances would have us believe that Cornell University Press would publish a book of negligible substance and detail. Knows little about the vetting process, which involves careful reviews by prominent academics and experts as well as staff editors. In fact the book is rich in historical, theoretical, and original anecdotal evidence as any reader who takes the time to actually read the book will see. Anyone can file a report but clearly this is no guarantee of insight.3 of 5 people found the following review helpful. Bouncing Across the PondBy T.R.Hart's book was exceptionally weak in content, spending the majority of the time on justification of methodology. Whenever one thought that an opportunity presented itself to deal with GREECE and GENDER, immediately the reader was bounced across the Atlantic to issues of African American radicalism or culture in the United States. This could have been a great book, if it were 120 pages that actually dealt with Greece and utilized primary sources as opposed to secondary theoretical sources. Conjecture is not history.

Book by Hart, Janet

"A valuable and moving study. . . The author shows a sophisticated understanding of the nature and limits of her evidence. She also shows enthusiasm for the international and intellectual context of her case studies."South European Society and PoliticsFrom the Back CoverThis book explores the historical memory of social transformation, finding a personal narrative a key to new conceptions of societal change.
