Move will Inspire and Delight !!By Ada Sanchez48 different women, going against the odds to make it where people told them they never could. I am so inspired by the heart of author, Tarra Flores Sloan. She has recognized Latin women taking their lives to the next level of success. Every single one had struggles and tragedies in their lives but they stood strong to push forward. Flores Sloan has recognized these women and acknowledged their struggles and achievements as major life changing events. This book will inspire the reader to remember their dreams, strive for their best and overcome their fears in order to make their NEXT BOLD MOVE.

Tarra Flores Sloan interviewed 47 women from around the globe for her latest non-fiction, Next Bold Move. Despite it all, these women, all unique to each other by race, country, protected class, age, education or resident status, all overcame incredible odds and accomplished the near impossible, or simply set an unimaginable goal and achieved it. How? With their Next Bold Move.
