Jon Sobrino : No Salvation Outside the Poor: Prophetic-Utopian Essays before purchasing it in order to gage whether or not it would be worth my time, and all praised No Salvation Outside the Poor: Prophetic-Utopian Essays:

0 of 0 people found the following review helpful. Great book on Liberation TheologyBy CustomerI thought the progressive view of Christology was very refreshing . His challenge to the traditional view of the Catholic Church was particularly interesting. He states that Cristo monism is dangerous and argues that a Christ taking down from the cross is a better approach . The downfall of the book, is that sometimes the translation makes the text hard to read.0 of 0

people found the following review helpful. A book that will bother your Bishop. By Dwight Smith A transformative approach to understanding salvation through solidarity with the crucified people. A wonderful primer for Catholics who wish to deepen their faith during the Year of Mercy. 0 of 0 people found the following review helpful. ... book brings to mind the hidden suffering of the poor which we so frequently forget about. By Dorothy This book brings to mind the hidden suffering of the poor which we so frequently forget about .

The provocative title of these essays plays on a traditional Catholic slogan: 'no salvation outside the church'. But as Jon Sobrino notes, salvation has many dimensions, both personal and social, historical and transcendent.
