**Andrs Simonyi : Nordic Ways** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nordic Ways:

The project Nordic Ways is a book of short insightful essays written by distinguished authors from all five countries representing a broad spectrum of Nordic life. The project features an impressive and august array of nearly 50 authors representing all five Nordic countries. The ultimate goal is to provide a long-term platform for what it means to be

Nordic in business, as environmental stewards, in the arts, culture, innovation, education and in commitment to democratic values. There is growing interest in the United States in Nordic societies and attention being paid to Nordic solutions: cutting edge innovation in technology and design, arts, culture, liberal democratic values, including gender equality and a free press, environmental responsibility, and economic success achieved on a global level in partnership with employees. Today, with a U.S. Presidential campaign marked by widespread dissatisfaction among the electorate, it is abundantly clear that Nordic Ways can guide this new and increasingly important dialogue.
