Susie Nash : Northern Renaissance Art (Oxford History of Art) before purchasing it in order to gage whether or not it would be worth my time, and all praised Northern Renaissance Art (Oxford History of Art):

1 of 1 people found the following review helpful. I love this book!By PageWhen I first got this book I thought it looked dry and boring. But when I started reading it I was hooked. The authors writing style is very readable. I gained new insight into both the art and the time she writes about. Illustrations were well chosen, I wish the resolution had been better on my kindle edition.0 of 0 people found the following review helpful. Five StarsBy L.P.Great!2 of 3 people found the following review helpful. Five StarsBy george l. gorseExcellent study, particularly on materials, techniques, workshop production.

This book offers a wide-ranging introduction to the way that art was made, valued, and viewed in northern Europe in the age of the Renaissance, from the late fourteenth to the early years of the sixteenth century. Drawing on a rich range of sources, from inventories and guild regulations to poetry and chronicles, it examines everything from panel paintings to carved altarpieces. While many little-known works are foregrounded, Susie Nash also presents new ways of viewing and understanding the more familiar, such as the paintings of Jan van Eyck, Rogier van der Weyden, and Hans Memling, by considering the social and economic context of their creation and reception. Throughout, Nash challenges the perception that Italy was the European leader in artistic innovation at this time, demonstrating forcefully that Northern art, and particularly that of the Southern Netherlands, dominated visual culture throughout Europe in this crucial period.

brilliant overview. * Burlington Magazine * An excellent, in-depth overview exploring themes central to contemporary art history studies. * Kim Woods, The Open University * Nash weaves a broad, intricate tapestry of the cultures and material practices of art. * Joseph Leo Koerner, Harvard University *About the AuthorSusie Nash is senior lecturer in Northern Renaissance Art at the Courtauld Institute of Art in London. She is also the founder and director of the Courtauld Institute Summer School programme and has published widely on northern Renaissance art, including most recently a study of the famous Well of Moses by Claus Sluter.
