GottwaldThe old saying about if it seems to be too good to be true holds true in this case. Three volumes for a little over \$4.00? I only received the middle volume. Since there is another saying about fool me once, etc., I won't be ordering much, if anything, through the used book part of anymore.

This superb biographical dictionary covers the lives of exceptional women throughout three and a half centuries of American history. Here are artists, lawyers, reformers, educators, entrepreneurs, physicists, writers, pioneers,presidents' ladies, film stars. Here are those known for their deeds and those famed for their looks--the genteel and the disreputable, the highborn and slave-born. Here are the famous in all areas of endeavor--names like Ruth Benedict,Jane Addams, Willa Cather, Isadora Duncan, Carole Lombard, Sojourner Truth, Pocahontas, Texas Guinan, the Everleigh sisters, Carrie Nation, Amelia Earhart. Here also are many names rescued from obscurity.

"Notable American Women," a three-volume compilation of 1,359 lucidly written, well-documented biographies representing ten years of labor by a husband-and-wife team of editors and 738 contributors, shatters the old myths. Women were there all along, and what they did, other than merely playing their biological role, was remarkably

important--even essential--to the growth of American civilization. About the Author Paul Boyer, Merle Curti Professor of History at the University of Wisconsin, Madison.
