Reading for the serious student of social science measurement and analysis
History of measurement
An account of measurement in its current state in the social sciences. | File size: 57.Mb

Otis Dudley Duncan : Notes on Social Measurement: Historical and Critical before purchasing it in order to gauge whether or not it would be worth my time, and all praised Notes on Social Measurement: Historical and Critical:

"A richly erudite history of measurement and an account of its current state in the social sciencesfascinating, informative, provocative." James S. Coleman, University of Chicago "Wise and powerful." American Journal of

Sociology "Personal and provocative an excellent set of historical and critical ruminations from one of social measurement's greatest contributors." Choice

About the Author OTIS DUDLEY DUNCAN is professor of sociology at the University of Michigan.
