Nursing Home Guidelines -an essential Survy ResourceeBy Michele R. GroffThis book provides an excellent overview of the federal Nursing Home Regulations and the Medicare survey process. It interprets regulations, provides insight into how surveys use the regulations to certify a nursing facility for Medicare, both inital and ongoing surveys. It provides Standards of Care aand interpretive guidelines. I highly recommend this text to any professional in Nursing home administration, legal nurse consultants working in this field, and nurse educators.

...new and updated information for nursing home administrators, educators and professionals preparing for licensure with the latest federal guidelines for certification, drug use and a quality assurance program.
