**Edward Enfield : Old Age and How to Survive It** before purchasing it in order to gage whether or not it would be worth my time, and all praised Old Age and How to Survive It:

0 of 0 people found the following review helpful. Five StarsBy VIVIANAGood book to give to an older person. I gave it as a gag gift.0 of 0 people found the following review helpful. A book or audiobook worth reading/listening toBy Kenneth R. IsaksonI recently returned from a trip to Germany and had an inordinate amount of time to kill while

winging my way back to the western United States. The airline provided a number of "entertainment options" and thankfully this was offered in audiobook form as one of the choices. Though I am not able to identify with all of the author's perspectives as of yet I certainly have the good fortune of grasping much of it experientially. The author is very clever as he gives some sage advice as to how to prepare and enjoy the post obligatory employment years.

A humorous guide to help you make the most of old age
