**Cath Tate : Older: But Not Wiser** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Older: But Not Wiser:

This hilarious book is an ideal birthday gift that brings together the best of Cath's work on aging. Wise, cynical, and very occasionally warm, it is packed with insights into this sadly universal process, whether we choose to embrace it or defy it. After all, as Cath says, "Age doesn't matter unless you're a cheese."
