Steve Hindle : On the Parish?: The Micro-Politics of Poor Relief in Rural England c. 1550-1750 (Oxford Studies in Social History) before purchasing it in order to gauge whether or not it would be worth my time, and all praised On

the Parish?: The Micro-Politics of Poor Relief in Rural England c. 1550-1750 (Oxford Studies in Social History):

On the Parish? is a study of the experience of poor relief in the rural parishes of early modern England. It explores the relationships of paupers not only to the parish officers who administered the Elizabethan poor laws but also to their kinfolk and neighbours who continued to provide extensive networks of informal support.

"On the Parish? is a work of tremendous depth and breadth, not only synthesizing existing research, but also refining our current understanding of the early modern period in numerous important ways. This is a long and dense book, but Hindle's lucid and evocative prose makes it a pleasure to read, and it is sure to hold a central place in all future discussions of early modern poor relief."--Susannah Ottaway, *Sixteenth Century Journal*
About the Author Steve Hindle is a Senior Lecturer, Department of History, University of Warwick.
