Priceless wisdom from the Golden Mouth of Orthodox Christianity By anthony In this short book, St John Chrysostom gives four sermons on the Lord's parable of the rich man and Lazarus. He addresses the issue of how people should view wealth and poverty from a spiritual point of view. Too often, people envy those who have wealth and power, whilst they look at those who are poor and destitute as having been abandoned by God. St John Chrysostom however takes a very different view, and explains this from the point of view of the parable. The wisdom gained from this wise saint can be applied just as easily today as it could have done when the sermons were first delivered centuries ago. In this day and age, when wealth and materialism have permeated every aspect of society and culture, books such as this one come up as priceless spiritual treasures for all Christians who seek to live according to the life in Christ. 0 of 0 people found the following review helpful. The sermons of St John Chrysostom are noted as classical commentaries on the Christian life. Knowing well the realities of life in the world, the temptation of rich and poor alike, this great orator - "the golden-mouthed" - addresses the questions of wealth and poverty in the lives of people of his day. And yet, as the modern reader is confronted with his words, it becomes apparent that he too is being addressed; Chrysostom's words are words proclaiming the truth of the Gospel to all people of all times. The message of the story of the rich man and Lazarus (Luke 16:19-31) is brought home to every person in these six sermons of Chrysostom with clarity, insight into the human dilemma, compassion and judgment. On Wealth and Poverty is part of the POPULAR PATRISTIC SERIES.
