Kate Marek : Organizational Storytelling for Librarians: Using Stories for Effective Leadership before purchasing it in order to gage whether or not it would be worth my time, and all praised Organizational Storytelling for Librarians: Using Stories for Effective Leadership:

Just as literature can be used for learning, the power of storytelling can be very effective when applied to leadership and management. Library expert and author Marek shows readers how they can use storytelling to communicate vision and values with a primer on how to develop storytelling skills Tips on how to use narratives to navigate change and build community Strategies for using your library's buildings and history to communicate shared goals Applying solid management principles to a library setting, Marek provides the tools and explains the process of leading and managing through organizational storytelling.

About the Author Kate Marek is a professor at Dominican University's Graduate School of Library and Information Science, where she teaches in the areas of technology and policy. She has worked as a library consultant and in all types of library organizations, and she writes in the areas of libraries, technology, and teaching.
