**John Grossman : Our Victorian Christmas Album: A Keepsake of Holiday Memories** before purchasing it in order to gage whether or not it would be worth my time, and all praised Our Victorian Christmas Album: A Keepsake of Holiday Memories:

1 of 1 people found the following review helpful. This book is so pretty and easy to useBy A New YorkerI have kept an annual Christmas Album since 1974. The one I have used for the last few years is this Victorian-themed memory book. I usually use several pages for each year and include all sorts of notes, cards, pictures, lists and letters from friends and family. Each year I include a synopsis of the months gone by. I print up my 'stories' on the computer and then paste them into the blocks provided. It makes a festive, but very useful memory book and preserves the highlights of each year.0 of 0 people found the following review helpful. Clean book...By Nana LindaArrived damaged from price sticker and poked in 2 places -- but INSIDE was untouched and perfect.

Families can record five years of Yuletide memories in this album decorated with Victorian ephemera that is divided into such themes as Holiday Greetings, Trimming the Tree, Parties and Festivities, Santa Claus, and more. 25,000 first printing.
