Richard Northcott : Oxford Read and Discover: Level 3: Festivals Around the World before purchasing it in order to gage whether or not it would be worth my time, and all praised Oxford Read and Discover: Level 3: Festivals Around the World:

These motivating non-fiction readers are rich in content and beautifully illustrated. Fascinating information in carefully graded language appeals to a broad range of students and supports English across the curriculum, making the series perfect for CLIL (Content and Language Integrated Learning). Stunning colour photos, maps, diagrams and charts support understanding, while activities and projects develop language and critical thinking skills.
