Betty R. Ferrell and Nessa Coyle : Oxford Textbook of Palliative Nursing before purchasing it in order to gage whether or not it would be worth my time, and all praised Oxford Textbook of Palliative Nursing:

0 of 0 people found the following review helpful. Great ResourceBy Cathy SweeneyThis is a great resource for the hospice or palliative nurse. A new nurse can get answers as well as the long time hospice nurse. This is one that I keep in my library to be able to refer to as necessary.0 of 0 people found the following review helpful. Everything you ever wanted to know about Palliative Nursing but were afraid to ask...By Bernie ZmitrovichThis is the most comprehensive resource for Palliative Nursing that I have found! The contributors are well qualified. The information is current and very useful for Hospice and Palliative nurses. I feel that every nurse in this field should have this book at their fingertips.0 of 0 people found the following review helpful. One StarBy CarolynThe book is so complicated. Too many words on a page.

This is the most authoritative and comprehensive resource in palliative nursing. It has been fully updated in its third edition. More international in scope, this edition continues to define the field, with contributions by all of the major names in nursing and palliative medicine. Joining Oxford Medicine Online this resource offers the best quality content in an easy-to-access format. Online only benefits include downloading images and figures to PowerPoint and downloading chapters to PDF.

This a comprehensive textbook dealing with all aspects of palliative nursing care, including current knowledge with explicit discussions and practical guidance with extensive literature... This book is a leading resource in the field and will be particularly useful to nurses, oncologists and practitioners in a ll fields assisting their compassionate and important work.About the AuthorBetty R. Ferrell, PhD, RN, FAAN, Research Scientist, Department of Nursing Education and Research, City of Hope National Medical Center, Duarte, CA Nessa Coyle, PhD, APRN, FAAN, Pain and Palliative Care Service, Department of Medicine, Memorial Sloan-Kettering Cancer Center, New York, NY
