**Paula Martin, Margaret Read MacDonald : Pachamama Tales: Folklore from Argentina, Bolivia, Chile, Paraguay, Peru, and Uruguay (World Folklore (Hardcover))** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pachamama Tales: Folklore from Argentina, Bolivia, Chile, Paraguay, Peru, and Uruguay (World Folklore (Hardcover)):

1 of 1 people found the following review helpful. I loved this bookBy JoyI loved this book! It reminded me a lot of my childhood stories, they are very well written and it's nice to have them in spanish and english, because sometimes you

want to share them with your friends around the world and you can't find the words.. the drawings are fantastic! Super folkloric, they made me travel with the stories. 100% recommended!

A bilingual collection of enchanting folk tales from the peoples of Chile, Argentina, Bolivia, Peru, Uruguay, and Paraguay, accompanied by historical and geographical background as well as color photographs. Provides ready-to-tell stories from Argentina, Chile, Bolivia, Peru, Paraguay, and Uruguay that both entertain and promote multicultural awareness. An ideal resource for storytellers, folklorists, parents, librarians, Spanish instructors, and other educators who conduct storytime programs. Includes color inserts that help bring the rich folklore and culture of these South American nations to life. Stories are presented in both English and Spanish.

"A generous, bilingual array of stories about animals, fools, lost places, musical instruments, scary or fantastic creatures, plants and trees, and the sky, ending with a selection of looping, recursive 'Endless Tales' designed to drive wakeful children off to sleep. Excellent glossary, bibliography, and notes." - Storytelling Magazine  
About the Author: Paula Martn is a teacher, storyteller, and writer from Buenos Aires, Argentina. Margaret Read MacDonald is a folklorist, master storyteller, and a prolific author.
