Barbara R. Metzler : Passionaries: Turning Compassion into Action before purchasing it in order to gage whether or not it would be worth my time, and all praised Passionaries: Turning Compassion into Action:

2 of 2 people found the following review helpful. An Inspirational Gift By Victoryswon Barbara Metzler has given the world a rare, inspirational gift in Passionaries. All of us have had impulsive moments wanting to improve a circumstance, right a wrong, or bless an overlooked people in need. Barbara has shown us how everyday people, of all ages walks of life, have followed their impulse and changed our world - all for the better. Don't pick this book up if you don't have the time to read it al at once - you won't want to put it down. Passionaries makes a great gift, perfect for

anyone! 0 of 0 people found the following review helpful. A Book To Inspire By John Francis Xavier Griffin Many books give you a 'good' feeling and then that feeling passes. This book makes you think about the good that many are doing to make this world a better place and they are doing it against many difficult odds and for truly humanitarian reasons. If you are 'feeling down' about how the world is going, pick up this book and feel 'inspired'. You just may want to act on an inspiration so watch out. 0 of 0 people found the following review helpful. Inspiring By HLR This is a wonderful book - every chapter makes me teary-eyed with happiness, and inevitably inspires me to do some wonderful deed. It truly brings the joy of charity work to life, and will make a real difference in this world, by prompting others to follow the examples they see in its pages!

From the Publisher Advance Praise for *Passionaries* "Each one of these powerful profiles is a home run and a chance for us to look at a significant winning plan in the game of life." --Dick Enberg, CBS Sports "Barbara Metzler has tapped into what makes people great and has made their greatness available to the rest of us." --Dr. Tony Campolo, Campolo School of Social Change at Eastern University, St. Davids, PA "Passionaries will soon be included in every dictionary and on the must read list of everyone seriously concerned with improving the health and wellbeing of humankind." --Dr. Warren Bennis, distinguished professor of business at the University of Southern California and author of *On Becoming a Leader* "Barbara Metzler's book chronicles American generosity at its best--highlighting people who give of both their time and money to help people here and abroad. Her book is essential reading for all, especially those who want to better understand the amazing stories of America's leading and most effective philanthropists." -- Dr. Carol Adelman, director, Center for Global Prosperity, Hudson Institute "One person can make a difference in our world. Barbara Metzler inspires us all with these powerful stories about individuals who demonstrate that we can translate visions of hope into programs of healing. May the tribe of passionaries increase!" -- Dr. Richard J. Mouw, president of Fuller Theological Seminary "Barbara Metzler's *Passionaries*, like her life, is an inspiration. Not only has she assembled the stories of 'can-do' people who have transformed their convictions into constructive, life-changing actions, but she provides us the links to do likewise." --Linda LeSourd Lader, co-founder, Renaissance Weekends "If you are questioning whether God still works through people, you'll stop wondering after reading about these miraculous lives. Life has handed each of these inspiring individuals challenges that they have faced with courage. Courage isn't a gift, but a decision." --Dr. Robert Schuller, pastor of the Crystal Cathedral "It's one thing to be simply motivated and another thing to become deeply inspired. In this collection of real life stories, Barbara Metzler enables you to be inspired and lifted up to make a difference with your life. You come away believing you too can be a 'passionary' and help change your world and leave a lasting, positive legacy. Don't miss this chance to help change your world!" --Dr. Ron Jenson, international speaker and author; chairman, Future Achievement International "Passionaries provides proof that one person can still make an everlasting difference in our world. In this book there are many blueprints that allow one to take their success and turn it into significance for the world they live in!" --Stan Curtis, founder and chairman of USA Harvest "These heroes are all compassionately committed to a 'magnificent obsession,' turning their visions into reality." --Dr. Art Ulene "Passionaries is a fascinating testimony to one of life's most profound questions: What can I do to make a difference? In writing *Passionaries*, the author herself makes a huge difference. Her compelling and readable testimony on a wide range of projects, created by so many people from such diverse backgrounds, makes the case that we all have the potential to truly change the world . . . and in so doing Barbara Metzler fits perfectly her definition of the term passionary." --Matthew P. Caulfield, major general, U.S. Marine Corps (retired), president of Helmets to Hardhats "If you are seeking meaning in life, become a 'passionary.' This book will show you how and lead you down the path to knowing a genuine happiness, one that is real and lasting." --Dr. Bettie B. Youngs, author of *Woman to Woman Wisdom* About the Author Barbara R. Metzler graduated from the University of Southern California and received a masters in psychology/counseling from the University of Nevada at Las Vegas. As an entrepreneur involved in the Young Presidents Organization, she has started five companies including a multi-million dollar corporation,
