**From Brand: SAGE Publications, Inc : Perspectives in Social Research Methods and Analysis: A Reader for Sociology** before purchasing it in order to gage whether or not it would be worth my time, and all praised Perspectives in Social Research Methods and Analysis: A Reader for Sociology:

1 of 1 people found the following review helpful. Must for social scientistsBy Hovig SomeialThe editors of this book have succeeded in drawing a panoramic view of the social science field. It's a good start for students with interest in conducting a new research study. Purely methodological with excessive examples.0 of 0 people found the following review helpful. Five StarsBy Silvia TorresVery useful

Offering accessible examples showcasing how sociologists conduct research Comprising 22 reading from both

academic journals and books, this text presents the best examples of r
