The photos were beautiful, it detailed many aspects of day of the dead that are sometimes overlooked and the photos were captivating. Also the entire book is in both spanish and english, which I was not expecting but greatly appreciated. I would recommend this book for anyone who wants to learn about the traditional aspects day of the dead in present day Mexico.0 of 0 people found the following review helpful. Dead Stuff Is FunBy Jessica SalmonsonI got this as a gift but lucky for me it was for someone who lives right here with me so I got to enjoy it too. Lovely charming happy book of death. Everyone should have a few things like that.0 of 0 people found the following review helpful. A wonderful way to celebrate those that have passedBy CPKMy 15 yr old niece and I got hooked on 'Day of the Dead'. She as a Spanish student, and I was eager to learn more about another culture. A wonderful way to celebrate those that have passed!

Mexico's national holiday for the dead is showcased in a keepsake volume by photographer John Greenleigh, who spent four years exploring long-held traditions in different parts of the country. Produced as a bilingual edition, The

Days of the Dead illuminates the cultural heritage behind a deeply moving holiday. 90 color photographs.

Language NotesText: English, Spanish
